You must have taken the AELG Session 1: Orientation before attending any other AELG sessions!

1. You must pre-register for training classes. Walk-in participants must wait until all registered participants have arrived before being admitted into class & will not receive a certificate at the end of the workshop. Certificates for walk-in participants will be available for pick-up or mail at a later date.

2. You will receive a confirmation letter listing the classes in which you are registered. If you do not receive a confirmation, please contact us before coming to class to ensure that you are registered.

3. CANCELLATION POLICY: Please keep in mind that space is limited in all training classes. For this reason, we ask that cancellations be made by 12:00 noon the day before the training session. Others are waiting for your spot, so please call as soon as you know you will not be attending. Repeated failure to cancel a class may result in restricted enrollment in future classes.

4. CHILD CARE CENTERS: When registering multiple people for training, you must complete a separate form for each participant. A maximum of 5 participants from one program can be registered in the same training session.
